Wilmington, DE 19801-3555

*VIA E-FILING*

Re: Qualcomm, Incorporated et al. v. Arm Holdings PLC, C.A. No. 24-490 (MN)

Dear Judge Noreika:

Plaintiffs write to request that the Court set a teleconference at its earliest convenience to discuss the status of this case.

There are several discovery motions that have been pending before the Special Master for some time.<sup>1</sup> Under D. Del. LR 16.4, Plaintiffs' drafts of portions of the pretrial order and other disclosures are due next week, on January 23, 2026, for the trial scheduled for March 9, 2026. Given that resolution of the discovery motions will necessarily impact the pretrial exchange process and the time the parties will need to conduct any discovery that is permitted (and any follow-up), and to consider and brief any objections to those orders, Plaintiffs have significant concerns about the schedule, including the trial date, which we would like to discuss with the Court.

Pursuant to D. Del. LR 7.1.1, Plaintiffs met and conferred with Defendant Arm and Arm does not object to this request.

---

<sup>1</sup> D.I. 127, 323, 329, 359, 361, 374, 375, 377, 378, 386, 390, 395, 476; *see also* D.I. 579 at 2. Plaintiffs have also filed objections to the Special Master's January 7, 2026, Order denying Plaintiffs' motion for leave to amend (D.I. 589). In addition, out of an abundance of caution, Plaintiffs filed a new complaint (C.A. No. 26-20) against Arm, Ltd. Qualcomm's motion to consolidate that action with this one is forthcoming.

The Honorable Maryellen Noreika
